GEORGE WASHINGTON FOREST

Open Dusk to Dawn
 Town of Hingham, DPW
 Contact: (781) 741-1430

Approx 3 miles
 Pleasant Street

The George Washington Town Forest was diagnosed with "Red Pine Scale" and the "Pine Shoot Beetle" which has contributed to the widespread mortality of the Red Pine Trees in the forest. After extensive research and plant diagnostic site work performed by the University of Massachusetts Extension's diagnostic team it was determined that all trees that could potentially fall onto the roads or trails should be removed for Public Safety. The forest was closed for safety of the public during the work."
