Hi Michael,

See attached revised plans for the project at 1192 Main Street. Most of the changes on our end were to the Landscape Plan for Conservation. We also conducted a test pit in the footprint of the house for BOH.

The new architecturals have a revised floor plan with less rooms and a border with the firm name.

I'll come by with hard copies this afternoon, let me know if there are any additional comments or questions.

Thank you,
