Dear Members of the Planning Board,

I am writing as the owner of 25 Arnold Road and a direct abutter to the proposed project at 28 Arnold Road. I have reviewed the plans and the work performed with respect to the septic location, landscaping and hardscape and am fully supportive of the changes.

In my view, the level of landscape design in particular is an improvement to the surrounding neighborhood. In addition, the developer, Adam Fluery has always willingly answered any questions we have had and shared details with respect to the project.

Thank you for your consideration.

Sincerely,

Spiros Giannaros
