RE: 58 Bonnie Brier Circle (Assessors Lot 22-21)
Notice of Intent – Proposed Raze and Rebuild Single Family Dwelling
Applicant – Richard and Mary D'Ambrosia

Dear Commission Members:

On behalf of the applicant, we hereby submit the revised Site Plan. The revisions are in response to review comments from Conservation Officer, Shannon Palmer, regarding the Riverfront area delineation. The revisions are as follows:

1. The riverfront boundary has been revised and is based on the arithmetic mean of the high water elevation (National Tidal Datum Epoch) which is elevation 4.0 N.A.V.D.88 datum. Based on the updated riverfront area, there is no work proposed within the riverfront area with the exception of the mitigation plantings. A Riverfront Delineation Plan has been provided detailing the delineation.

If you have any questions, please do not hesitate to contact us.

Sincerely,

GRADY CONSULTING, L.L.C.
