Dear Hingham Planning Board -

Thank you for all your diligent and hard work! We wanted to suggest to you that the Site Plan Review for the 8 Pickleball Courts should be a matter that is continued to a later meeting due to the fact that there is an existing wetland delineation appeal and the Conservation Commission has postponed its review of the project until May 18th.

We also think it is not an efficient use of the Planning Board's time to conduct its site review now, when soil bearings were only taken for the first time last week, and the stormwater plan may need to be adjusted.

Thank you for your consideration.
