Subject: Approve Pickleball Courts

Dear Planning Board:

Please approve the pickleball courts as proposed by the Recreation Commission.

This project was approved and confirmed with three Town Meeting votes - the CPC funding, rejection of a vote for reconsideration and rejection of restricting use with a noise by law change. There are lots of Hingham residents who voted this way because we WANT THE COURTS (that's why they were approved at Town Meeting).

We LIKE playing pickleball. We WANT to play in our own town and not drive to Hull, Weymouth, Scituate, Duxbury, Marshfield, Braintree and other towns that have public pickleball courts. Lines on tennis courts are NOT pickleball courts.

Pickleball has given me a whole, new network of friends across the South Shore. I want to deepen that network in Hingham. We need our courts that Town Meeting approved for us.

This project cleans up a condemned building owned by the Town. New recreation facilities will be put in place. Facilities that can be used by all ages and a wide range of skill level. Something for everyone to have fun. <https://www.instagram.com/reel/DVpHt8Tj0gV/?igsh=MW1lOWx2bnFtbDZuMg==>

Thank you in advance for your support and approval.
