Subject: Pickle courts

To whom it may concern, As a resident and enthusiastic player, I support the Pickleball Courts for Hingham voted for at the 2025 Town Meeting. The Bare Cove site is already serving as a wonderful recreation area, and the scaled back project will enhance the athletic facilities while meeting the Conservation Commission and Planning Board requirements.

As one citizen noted, "An abandoned eyesore of a building will be replaced by beautiful courts that will be enjoyed by groups of all ages. These courts will help build community, support downtown businesses and help create wellness for many members of our town."

They will help to encourage hours of fun and healthy activity for years to come.

Please make the courts a priority.

Thank you,

Melinda Reuter
