Subject: Pickleball Courts

Good Afternoon,

I support the pickleball courts approved at the 2025 Town Meeting. The Bare Cove site is already a valuable recreational resource for our community, and the project has been thoughtfully reduced in scope to meet the requirements of both the Conservation Commission and the Planning Board.

This project will replace an abandoned, unattractive building with attractive new courts that can be enjoyed by residents of all ages. In addition to expanding recreational opportunities, the courts will help strengthen community connections, support local downtown businesses, and promote health and wellness for many members of our town.

Thank you,
Laura Donovan
