Greetings to all on the Planning Board.

I am writing on behalf of my support for the designated Pickleball Courts project which was approved at the 2025 Town Meeting.

I have been playing Pickleball for many years on the Hingham Rec's tennis courts. I appreciate that Hingham Recreation lined their tennis courts for Pickleball and I appreciate that Hingham Recreation provided Pickleball lessons which got me started in the sport when I was in my 60's!

Now, I feel as more and more people of all ages are playing Pickleball, there is a need for this project. My granddaughter says she plays Pickleball in gym class at school here in Hingham!

I'm looking forward to playing on courts that are designated for the sport of Pickleball and ask for your support at your meeting on Monday, May 18, 2026.

Thank you,
