Dear Planning Board Members

I support the Pickleball Courts as it was voted for at the 2025 Town Meeting. The Bare Cove site is a wonderful recreation area. The project has been scaled back to satisfy Conservation Commission and Planning Board requirements.

An abandoned eyesore of a building will be replaced by beautiful courts that will be enjoyed by groups of all ages. These courts will help build community by giving people access to meet one another, support downtown businesses because of the proximity and help create wellness through connections and exercise the members of our town.

Please support of this project.

Best,
Mary Ann Bryan
