Good evening:

I am writing to express my support for the Hingham pickle courts. With that said, I'm a little confused as to why there's another meeting having already been through the approval process.

Anyway, please use this email as a record of my belief that these should continue to be built. Exercise, activity and social interaction are all important. Hull, Braintree, Duxbury and Weymouth all have outdoor court/s. Just to name a few towns around. Us.

Thank you.
