To the Planning Board,

Thank you for your time and consideration, as a long time Hingham resident I appreciate you!

I hope you will approve the pickleball courts as they are much needed. As an avid player, my group tends to play in Weymouth or Hull for outdoor access. It would be an added bonus to the Town of Hingham to have outdoor courts. I know that playing outdoors boosts the moral and physical well being of the players. The importance of mental health is also a factor for considering more recreational outdoor activities.

Pickleball is absolutely a positive mental, physical and social experience. With that said - I appreciate all the time and effort you put into each decision.

Thank you for your time!

Best,
